# POST GRADUATE DIPLOMA IN HOSPITALITY & PROJECT MANAGEMENT

## Course Description

The aim of Post Graduate Diploma in Hospitality & Project Management course is to learn the concepts, techniques and processes that will help you lead projects and motivate your team. This course aims to discover how project management allows to obtain hospitality based organizational results in terms of selection, initiation, planning, execution, monitoring and control of hospitality projects. It also covers key scope, time and cost constraints which are integrated with project planning management to accurately monitor and estimate project results. These learning outcomes are aimed to facilitate the learners to convene the hospitality industry's most challenging and distinct needs.
